WESTBANK ASBESTOS - prepared a list of files to be given to the RP, Johns-Manville, as part of the cost recovery process. JM signed an agreement with DOJ to receive our Confidential-Privacy Act list of residences that were addressed during the project.

SUPERBOWL XLV - attended a FEMA-sponsored Hotwash discussion among federal, state, and local officials who participated in the SB planning and field execution.

SECURITY CLEARANCE - meet with investigator who was conducting my back-ground check for Q top Secret security clearance.
